Volkswagen Golf GTI 2.0 TSI 245 hp DSG - the icon in Moonstone Grey

Some cars don't need explanation - a GTI is one of them. This Golf GTI draws 245 hp from the well-known 2.0 TSI and combines daily usability with true driving pleasure: firm on the road thanks to the sport suspension and the electronic VAQ limited-slip differential, lightning-fast shifting with the 7-speed DSG. With barely 17,337 km on the odometer and a timeless Moonstone Grey paint, it looks as good as new. A hot hatch that provides as much pleasure on the way to work as on a leisurely Sunday drive.
